FREE
COMPUTER RECYCLING!

Luminous Recycling is a full service one-stop solution for ***all*** of your computer and electronics recycling requirements. We are a fully permitted EPA registered (#COR000208504) recycling facility based in Denver serving clients across the country.

We are proud to introduce our recycling services by offering:

FREE COMPUTER RECYCLING for Schools

We will recycle your desktop ***computers, small printers and faxes, standard networking equipment and monitors without charge****. Your school or school district needs only to arrange for delivery of the equipment to our facility in Denver to take advantage of this offer.

Our facility meets or exceeds all EPA, federal, state and local regulations; this insures that all of your computers and electronic equipment is recycled in an environmentally friendly manner.

Luminous Recycling also provides secure destruction of sensitive, confidential, proprietary data on hard drives and other media to insure compliance with HIPPA, FACTA and the GLB Act. We utilize Dept. of Defense or better methods of erasure or you may choose to have hard drives and other media, such as back up tapes, physically destroyed for a small charge.
