

# Microsoft®

## *Academic Microsoft License pricing available for all Nebraska K-12 Public Schools*

### **BENEFITS**

Select is the least expensive method to purchase most Microsoft licenses with no minimum purchase.

Licenses are paperless so no more tracking of different license authorization numbers.

Software may be installed **immediately** after submitting your purchase order to Software Plus

**Ordering Information:** To place an order you will need to fax, mail or email a purchase order to Software Plus. On the purchase order include the school's name, address, phone number and end user contact name. Our fax number is 314-801-1193 Our address is 10880 Baur Blvd, St. Louis, MO 63132

**License Confirmation:** You will **NOT** receive a license confirmation. Your proof that you own the license will be the Software Plus invoice and/or school's purchase order.

**Media:** Installation CDs and documentation are available at an additional charge. Orders may be placed using a purchase order. All media is \$27.00.

**CD Key Codes:** CD key codes are not included on the CDs for Office 2007 or Windows Vista Products. You can contact Software Plus for the key codes.
