Section 5 Standards of Conduct

A. Drug-Free Work Place

It is the policy of ESU 17 to eliminate the influence of drugs, alcohol and other chemicals within the work environment and to educate students against the usage of drugs, alcohol and illegal substances. The ESU will implement regulations and practices which will insure compliance with laws relating to drugs and alcohol, including: the Drug-Free Workplace Act and the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto.

The ESU has established a drug-free workplace. The drug-free workplace for this purpose includes ESU property, ESU-utilized vehicles, any place in which ESU employees perform duties, and any place in which ESU activities are held. The ESU recognizes that the use, possession, or being under the influence of illicit drugs or alcohol constitutes a hazard to the positive development of students and employees and a substantial interference with the ESU's mission and goals.

1. The unlawful manufacture, distribution, disposition, possession, or use of a controlled substance is prohibited in the work place. Employees are also prohibited from possessing, using or distributing illicit drugs or alcohol, or being under the influence of illicit drugs or alcohol, on any ESU property or at any ESU sponsored event. Any level of impairment from illicit drugs, alcohol, or inhalants, and the presence of any odor of illicit drugs (such as marijuana) or alcohol in the work place or on duty time shall be a violation of the drug-free workplace.
2. The possession or distribution of a look-alike drug or look-alike controlled substance is prohibited. In addition, employees are expected to serve as role models for students and will be considered to have violated the ESU's expectations in the event the employee commits a criminal drug or alcohol offense off the work place or off duty time.
3. As a condition of employment, employees will abide by the ESU's drug-free workplace policies and notify the Administrator or designee of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.
4. Disciplinary sanctions, up to and including termination of employment and referral for prosecution, will be imposed upon employees who violate the aforementioned standards of conduct. If employment is not terminated, sanctions may include the requirement that the employee complete an appropriate rehabilitation program.
5. Employees shall be advised through employee publications about drug and alcohol counseling and rehabilitation and reentry programs that are available.

The ESU will implement a drug and alcohol testing program in compliance with law for all employees whose position requires a commercial driver’s license (CDL) or who are otherwise in “safety-sensitive” positions as defined by federal or state law. Refusal to submit to preemployment testing, or testing positive, shall disqualify an applicant for any position requiring such testing from employment. Reasonable suspicion, random, post-accident, return- to-duty, and follow-up testing shall also be conducted. Employees who test positive shall be immediately removed from safety-sensitive positions and be terminated from employment.

This policy supplements and is in addition to all other policies, regulations, practices, procedures and contractual provisions regarding or related to the improper or unlawful possession, use, or distribution of illicit drugs and alcohol.

Employees shall be furnished with a copy of this policy.

 - b. The crime relates to abuse, neglect or endangerment of a minor, a minor was allegedly a victim or a witness, or the crime involves alleged sexual misconduct;
 - c. Conviction would impact performance of employee’s job responsibilities, including offenses that:
 - i. Would impact the responsibility to be a role model for students or relations with other employees of the ESU or schools served by the ESU;
 - ii. Would impact the employee’s ability to operate a motor vehicle if the employee at times needs to travel during duty time or the employee at times drives students; or
 - iii. Would impact the employee’s Commercial Drivers License if the employee’s job requires that the employee have aCDL.
 - d. The arrest or the alleged criminal activity occurred while the employee was on duty, on property of the ESU or a school, or in an ESU or school owned or utilized vehicle, or at a school-supervised activity or school-sponsored function.

Employees must also promptly report to the Administrator whenever the employee has been sentenced to be incarcerated for any period of time, even if the offense is not otherwise reportable.

2. Certificate or License. The employee becomes aware that a complaint has been filed against the employee that could affect a certificate or license required for the employee's position. This includes proceedings of the Nebraska Department of Education related to an alleged violation of the NDE Standards of Conduct and Ethics, Chapter 27, and proceedings of the Health and Human Services related to an alleged violation of the professional standards of conduct for the employee's position.
3. Child Abuse. The employee becomes aware that a report of child abuse or neglect has been made against the employee under the Child Protection Act.

Further, employees must give full disclosure of any Child Protection Act investigation that resulted in an "inconclusive" determination that occurred at any time. Current employees must give such disclosure within ten days following adoption of this Policy. As a condition of employment, applicants for employment must give such disclosure prior to commencement of employment. Any hiring made without such disclosure shall be subject to being immediately revoked in the event the required disclosure was not given.

Employees must give full disclosure of the existence and nature of the above proceedings and must also promptly notify the Administrator of the disposition of the proceedings.

Legal documents relating to the proceedings shall be treated and maintained as part of the employee's confidential criminal background file.

This prohibition includes employees with a permit to carry a concealed handgun. Possession of a weapon includes, without limitation, a weapon in an employee's personal possession or control, including a weapon in an employee's motor vehicle, desk, locker, backpack or purse. Any employee found to be in violation of this policy shall be subject to disciplinary action, up to and including termination.

An exception may be allowed for an employee to carry mace or other similar chemical agents in quantity and/or concentration typically designed for individual personal defensive purposes for self-defense where it is established that the employee is presented with a clear and substantial risk to personal safety. An exception may also be allowed where the employee requests to possess a weapon for instructional purposes.

Any exception must receive prior approval of the Administrator and be cleared with the school(s) at which the employee is assigned, where applicable. Any exception must be limited to a nonlethal weapon. Further, the weapon must be possessed and used only in the manner approved and must be maintained in such manner as the Administrator has directed so as to prevent it from being used by any non-permitted person or from causing anxiety or harm to others.

Uncivil behaviors are prohibited. Employees may be subject to disciplinary action up to and including termination for engaging in uncivil behaviors.

Uncivil behaviors are any behaviors that are physically or verbally threatening, either overtly or implicitly, as well as behaviors that are coercive, intimidating, violent or harassing. Such interactions are prohibited in all forms of communication, including telephone conversations, voice mail messages, face-to-face conversations, written communications, and email messages.

Any employee aware of another employee’s uncivil behavior shall report the conduct to the employee’s immediate supervisor or to the Administrator. There will be no retaliation against a person for making the report.

E. Professional Boundaries Between Employees and Students

All employees are expected to observe and maintain professional boundaries between themselves and students. A violation of professional boundaries will be regarded as a form of misconduct and may result in disciplinary action.

The following non-exclusive list of actions will be regarded as a violation of the professional boundaries that employees are expected to maintain with a student:

- Using e-mail, text messaging, instant messaging or social networking sites to discuss with a student a matter that does not pertain to school or ESU related activities, such as the student’s homework, class activity, school sport or club, or other school or ESU

sponsored activity. Electronic communications with students are to be sent simultaneously to multiple recipients, not to just one student, except where the communication is clearly school-related and inappropriate for persons other than the individual student to receive (for example, e-mailing a message about a student’s grades).

- Engaging in social-networking friendships with a student on MySpace, Facebook, or other social networking site. Material that employees post on social networks that is publicly available to those in the school community must reflect the professional image applicable to the employee’s position and not impair the employee’s capacity to maintain the respect of students and parents or impair the employee’s ability to serve as a role model for children.
- Engaging in sexual activity, a romantic relationship or dating a student or a former student within one year of the student graduating or otherwise leaving the District.
- Making any sexual advance – verbal, written, or physical – towards a student.

- Being overly “touchy” with a specific student.
- Allowing a specific student to get away with misconduct that is not tolerated from other students, except as appropriate for students with an IEP or 504 Plan.
- Discussing with a student the employee’s problems that would normally be discussed with adults (e.g., marital problems).
- Giving a student a ride in the employee’s personal vehicle without express permission of the student’s parent or school administrator unless another adult is in the vehicle.
- Taking a student on an outing without obtaining prior express permission of the student’s parent or school administrator.
- Inviting a student to the employee’s home without prior express permission of the student’s parent and school administrator.
- Going to the student’s home when the student’s parent or a proper chaperone is not present.
- Giving gifts of a personal nature to a specific student.

Section 8 Fair Labor Standards Act (Minimum Wage & Overtime)

Work week: The work week for overtime purposes shall be 12:00 a.m. Sunday until 11:59 p.m. Saturday. The Administrator may establish a different 7-day period workweek from time to time for specified employees or employee groups.

Overtime:

Employees who are “non-exempt” under the Fair Labor Standards Act and who work more than 40 hours in a workweek will be paid at the rate of time and-one-half (1 1/2) times their regular rate of pay for all overtime hours or will be provided compensatory time. All overtime must be approved in advance by the employee's supervisor. Scheduled holidays, vacation days, time off for jury duty, and time off for sickness, emergencies or other personal reasons will not be considered hours worked for overtime purposes.

The Unit may grant compensatory time in lieu of overtime pay at a rate of one and one half (1 1/2) hours off for each hour of overtime the employee worked. Employees may accrue a maximum of 240 hours of compensatory time, which represents 160 hours of actual overtime worked. When an employee has accrued 240 hours of compensatory time, the Unit shall pay him/her at the rate of one and one-half (1 1/2) times his/her regular rate of pay for each additional hour of overtime. An employee who asks to use compensatory time shall be permitted to use it within a reasonable period after the request if its use does not unduly disrupt the Unit’s operations. However, accumulated compensatory time must be used no later than 60 calendar days after earning such compensatory time. If not used within 60 calendar days, ESU 17 will make payment to the employee for the unused compensatory time.

Upon termination of employment, an employee shall be paid for unused compensatory time at a rate of compensation not less than: (1) the average regular hourly rate paid to the employee during the last three years of his/her employment, or (2) the final regular hourly rate paid to the employee, whichever is higher.

Payment for unused compensatory time shall be at the employee’s regular rate of pay for each hour of compensatory time, not one and one-half (1/2) times the regular rate of pay.

Deductions from Salary: The ESU’s policy is to not permit improper deductions from the salary of exempt employees who are required to meet a “salaried basis” test in order to be exempt from overtime. (Note: Teaching professionals are not subject to the salaried basis test). An employee who feels an improper deduction affecting exemption status has occurred may submit a complaint to the Administrator or the Administrator’s designee, who shall promptly investigate the complaint. Reimbursement shall be made and a good faith commitment to comply in the future will be given in the event it is determined that an improper deduction affecting overtime exemption has been made.

Wage and Deduction Information: Within ten working days after a written request is made by an employee the Administrator or designee shall furnish the employee with an itemized statement listing the wages earned and the deductions made from the employee’s wages for each pay period that earnings and deductions were made. The statement may be in print or electronic format.

The ESU’s policy is to authorize unpaid disciplinary suspensions of a full day or more for infractions of workplace conduct rules and to apply such policy uniformly to all similarly situated employees, including exempt employees who are required to meet a “salaried basis” test in order to be exempt from overtime. Unpaid disciplinary suspensions of a partial day or of a full day or more may be implemented for infractions of safety rules of major significance. Deductions of pay of a partial day or of a full day or more may be made for FMLA leaves and in the first and last weeks of employment. In addition, based on principles of public accountancy, deductions from pay of a partial day or of a full day or more will be made for absences for illness, injury or personal reasons when accrued leave is not used or not available, and for absences due to any budget-required furlough.

The ESU will not terminate or retaliate against any employee for inquiring about or sharing compensation information for the purpose of determining whether the ESU gives equal pay for equal work. However, an employee with authorized access to wage information as part of their job function, who discloses the wages of other employees to those who do not have authorized access to other employees’ compensation information, may be disciplined for such disclosure, up to and including termination, unless the disclosure is made in response to a complaint or investigation proceeding, hearing or other similar action.

Section 9 Attendance and Leaves of Absence--Generally

A. Attendance

The ESU depends on each employee to be reliable and punctual in reporting for work in order to provide its services and programs safely and efficiently. Regular, dependable, in-person attendance at work is an essential function of each employment position.

Employees are to be absent from scheduled work only to the extent reasonably unavoidable. Appointments are to be scheduled for non-work hours whenever possible.

Leaves are to be used for the purpose intended. Abuse of leave privileges will not be tolerated. Such abuse may result in disciplinary action, up to and including termination of employment.

B. Reporting Absences and Making Leave Requests

Employees are to utilize the appropriate notification and approval procedures for all absences. It is important to give as much advance notice of the need to take a leave as possible.

1. *Requesting Use of Leave Days.* An employee who wants to use available leave is to submit a Request for Leave form to the employee's supervisor. The request is to be submitted at least 5 duty days prior to the leave. The supervisor may require that more advance notice be given depending on the nature of the employee's duties or the need to schedule a substitute. Leave requests should be made as soon as practicable under the circumstances.
2. *Giving Notice of Unscheduled Absences.* An employee who is unable to request prior advance approval for an absence because of the nature of the circumstance requiring the absence (such as personal illness or unforeseen emergency) is to report the need to be absent as soon as the situation is known. Before the end of the day on the first day of the absence, and on each subsequent day of absence, the employee is to report whether the employee will be able to return to work on the next duty day.

C. Returning from Absences

1. *Justification for Absences Taken Without Prior Approval.* If an employee is absent without prior approval either the day immediately preceding or immediately

following a regularly scheduled school break (such as winter break, spring break, and quarter or semester breaks) the employee will be required to give verification (for example, a doctor’s note) to establish that the employee was unable to work for an excusable condition or reason.

2. *Establishing Fitness for Duty.* Employees must present a written statement from their physician or health care provider to their supervisor when the employee is absent for any period of time because of injury requiring care from a physician or health care provider, or absent from work for 10 days or more due to a personal health condition. The statement is to clearly verify that the employee is mentally and physically able to return to duty. This statement is to be presented in person to the employee’s supervisor before the employee returns to duty in order that the readiness to perform work can be observed and discussed.

Employees are required to disclose any medical restrictions that limit their ability to perform the essential functions of their position to their supervisor and to request a meeting with the Americans with Disabilities Act (ADA) Coordinator to discuss the provision of reasonable accommodations. The ESU will not discriminate against any employee due to disability and will provide reasonable accommodations. Information provided about medical conditions or disabilities shall be treated as confidential, as required by state and federal statutes, and will be divulged only to the extent necessary to provide reasonable accommodations.

D. Paid Leaves

1. *Paid Leaves Available.* ESU 17 makes the following forms of paid leaves available: Sick Leave, Personal Leave, Bereavement Leave, and Professional Leave. In addition, ESU 17 complies with laws that require leaves to be allowed without loss of pay, such as for military service and jury duty.
2. *Negotiated Agreement.* Paid leaves are provided for in the negotiated agreement with the designated association of certified employees. The negotiated agreement will control where there is any direct conflict with this policy.
3. *Nature of Paid Leave.* Paid leave is available to employees when the following specific conditions are met: (1) the employee is currently employed by the ESU; (2) the paid leave day is taken on a day the employee would otherwise be expected to be at work; and (3) the employee has met the conditions that are applicable to the type of paid leave that has been requested.
4. *Leave Year.* The leave year for paid leaves begins at the employee’s contract date.
5. *Leave Days.* Paid leave days are provided based on the same number of hours the employee is scheduled to work on the day the leave is taken, except for any day in

which premium pay may be paid. For example, if an employee is scheduled to work 6 hours on a day that sick leave is used, the use of the sick leave on that day constitutes the use of 1 full sick day. Paid leave days may not be used in increments of less than one-fourth day unless otherwise specified or approved.

6. *Eligibility Based on Employment Status.* For purposes of eligibility for paid leave days, employees are identified as:
 - i. *Full-Time Employees*—Employees scheduled to work in one position at least 1,250 hours per leave year. Eligibility for full-time status treatment based on combinations of positions is subject to prior written approval of the Administrator.
 - ii. *Part-Time Employees*—Employees who are contracted to work at least 9 months in the leave year and who are scheduled to work at least 17.5 hours per week. Except as otherwise specified, Part-Time Employees are provided paid leaves on a pro rata basis measured against a 1,480 hour work year (185 days x 8 hours).
 - iii. *Ineligible Employees*—Employees who are not Full-Time or Part Time Employees, as defined above, including any employees employed on a substitute or temporary basis. Ineligible Employees are not eligible for any paid leaves.
 - iv. *New Classified Employees*—Employees who have been employed with the ESU less than 4 months and who are employed in a position that does not require an NDE or Department of Health certificate or license. New Classified Employees are not eligible for paid leaves. Upon reaching the 4 month employment anniversary, the employee becomes eligible for paid leaves for the remainder of the leave year on a pro rata basis.

7. *Unused Days.* There is no pay for unused paid leave either during or upon ending of employment except as may be provided in the negotiated agreement with the designated association of certified employees or in written employment contracts approved by the Board, and except as required by law. A condition of paid leave being available is that the employee not engage in misconduct warranting termination. Accordingly, in the event the Administrator or the Board determines that an employee has engaged in misconduct, there shall be no pay for unused leave days. In the event unused leave days are required to be paid, the employee will be paid at the employee’s daily rate of pay at the time the unused paid leave days first became available.

E. Sick Leave

1. *Days Per Leave Year.* Employees have 9 days sick leave available per leave year.

2. *Availability.* Sick leave is a paid work day when the employee may be absent from duties. Sick days are only available when the employee is unable to perform assigned duties due to the illness or temporary disability of the employee or due to the employee needing to care for a member of the employee's immediate family who is ill or has a serious health condition. Immediate family for purposes of sick leave means the employee's spouse, child, parent, grandparent, sibling, and the employee's spouse's parent. Employees are to use sick leave when unable to work. Activities other than caring for their own health or that of an immediate family member reflect an abuse of sick leave.
3. *Carry-over and Accumulation.* Unused sick leave may be carried over from one leave year to the next succeeding leave year to a maximum of 60 sick leave days. Once the maximum is accumulated, no further sick leave days will be available or granted for the ensuing leave year or years until the accumulated number of days is less than 60, and then only to the extent necessary to restore the total number of available sick leave days to the maximum of 60 days.

F. Personal Leave

G. Bereavement Leave

1. *Immediate Family.* Paid family bereavement leave of 3 consecutive days is available in the event of the death of an immediate family member. The term “immediate family” for this purpose means the employee’s spouse, child, parent, grandparent, grandchild and sibling; and family members standing in the same relation to the employee’s spouse (in-laws). Family bereavement leave of 3 days is available for each such death, provided that the total paid family bereavement taken in a leave year not exceed 10 days.
2. *Non-Immediate Family.* Non-family bereavement leave of 1 day is available for the death of a person who is not an immediate family member, but with whom the employee was so close that the employee would be expected to attend the person’s funeral. Non-family bereavement leave requires advance approval of the employee’s supervisor. The combination of family and non-family bereavement leave may not exceed 10 days in the leave year.
3. *Use of Bereavement Leave.* Bereavement leave is to be used for purposes of addressing issues related to the death and to attend funeral services. The taking of a bereavement leave without attending funeral services would be an abuse of bereavement leave, except in the case of the death of the employee’s parent, child or spouse, where grief would be expected to impair the employee’s ability to function at work.
4. *Carry-over and Accumulation.* There is no carry-over or accumulation of unused bereavement leave.

H. Professional Leave

1. *Availability.* Professional leave is available for attendance at local, regional, state, or national functions provided attendance is judged by the Administrator or designee to be for professional development of the employee in an aspect of the employee’s employment duties or of potential benefit to the ESU or schools served by the employee. Attendance at such functions is to be determined in the discretion of the Administrator. Expenses for attendance, including transportation, meals, registration fees, and other function-related expenses deemed necessary and approved by the Administrator will be paid by in accordance with the Coffee Act Policy.
2. *Carry-over and Accumulation.* There is no carry-over or accumulation of unused professional leave.

L. FMLA

Family and medical leaves shall be allowed under the terms and conditions of the Family and Medical Leave Act of 1993, as amended (FMLA).

The “leave year” for purposes of the FMLA shall be a “rolling” twelve-month period, measured backward from the date an employee uses any FMLA leave.

Substitution of accrued paid leaves for otherwise unpaid FMLA leaves may be required in the discretion of the Administrator or the Board. The employee may also have paid leave run concurrently with unpaid FMLA leave entitlement, provided the employee meets applicable requirements of the leave policy.

Employees shall be required to submit medical certifications to support a request for FMLA leave because of a serious health condition, or a sick leave, when such leave is for a duration in excess of five successive days, and in such other cases as deemed appropriate by the Administrator or the Board based on the nature of the illness or other circumstances surrounding the leave. Second and third medical opinions may, in the Administrator or the Board’s discretion, be required. Employees shall be required to report periodically, at such times as requested by the Administrator or the Board, on their intent to return to work from FMLA leaves

and other leaves. Employees shall be required to submit a fitness-for-duty certification from their health care provider as a condition of returning to work from a FMLA leave taken because of the employee’s serious health condition, or from a sick leave taken by reason of the employee’s illness, when such leave was of a duration in excess of five successive days, and upon request of the Administrator or the Board when such is deemed appropriate by the Administrator or the Board based upon the nature of the illness or other circumstances surrounding the leave.

“equivalent position” for FMLA restoration purposes shall, in the case of certificated employees, be any administrative, teaching, or instruction related position for which the employee is qualified by reason of endorsement, college preparation, or experience, or other indicia. In the case of coaching or other similar extracurricular duty assignments, “equivalent position” can be any extracurricular duty assignment. In the case of other employees or positions, “equivalent position” can be one with or at equivalent pay, benefits, and working conditions, involving similar or related duties, as determined by the Administrator or the Board.

By law, FMLA leave is available only to employees who meet certain conditions. One of the conditions is that the employee “is employed at a worksite where 50 or more employees are employed by the employee within 75 mile of that worksite.”

The ESU will allow employees who do not meet this condition due to the location of their worksite to take unpaid leaves on the same terms and conditions as other ESU employees are allowed to take FMLA leaves. Such unpaid leaves will be allowed as an ESU provided benefit and not as an FMLA protected leave.

N. Adoption Leave

Adoption leave will be permitted to be taken by an adoptive parent for the same time and on the same terms as an employee is permitted to take a leave of absence upon the birth of the employee's child.

The adoptive parent leave of absence begins following the commencement of the parent-child relationship. The parent-child relationship commences, for purposes of adoption leave, when the child is placed with the employee for purposes of adoption. The employee shall be deemed to have waived any adoptive leave days not taken following the commencement of the parent-child relationship, except as the Administrator and the employee may otherwise agree. Advance notice of an anticipated adoption shall be provided by the employee to the Administrator as early as possible.

Employees are to notify the employee's immediate supervisor of the amount received for such jury duty.

If an employee reports for jury duty in the morning and is then dismissed from jury duty for the remainder of the day, the employee is to report for work and resume duties for the balance of the day, except as may be otherwise arranged by the employee's immediate supervisor.

P. Subpoena to Testify Leave

An employee must promptly notify the employee’s immediate supervisor when the employee receives a lawfully issued subpoena to testify in court or to give a deposition that may require an absence from duty.

In the event the subpoena involves a job-related matter in which the employee is testifying on behalf of the ESU, the absence will be treated similar to a jury duty leave.

In the event the subpoena involves a personal matter, the employee will be required to use available leave days. A subpoena will be considered to involve a personal matter whenever the employee or a family member or friend of the employee is a party to the legal proceeding, unless the employee’s involvement in the legal matter is solely due to actions taken in connection with the employee’s work duties, the actions of the employee were not inappropriate, and the ESU is not an opposing party in the legal matter.

F. Private Tutoring or Services

A certificated employee may not provide private tutoring or professional services in exchange for compensation from a source other than the ESU or an ESU member school without advance approval of the Administrator:

1. to a child that the certificated employee teaches or provides professional services in the course and scope of the employee's duties to the ESU; or
2. in an ESU facility or in an ESU member school facility; or
3. during the certificated employee's duty hours.

Certificated employees who accept engagements to provide private tutoring or professional services are to make clear that the services are not being provided on behalf of the ESU to the extent the recipient of the services may in any way otherwise be caused to believe the services are provided through the ESU.

G. Evaluations

The Board delegates to the Administrator the responsibility of developing, organizing and implementing a system-wide program for evaluating certificated employees. The Administrator shall develop effective evaluation procedures and instruments. The evaluation process is to be conducted in such a manner as to be consistent with and advance the mission and goals of ESU.

This evaluation policy is intended to set forth expectations for the administration and not to give rights to employees. As such, a failure to complete observations or evaluations of the designated duration and frequency shall not give the certificated employee rights with regard to continued employment. Such failures, however, are to be considered in evaluating the responsible evaluator's performance.

1. Communication of Evaluation Process.

Annual written communication of the evaluation process to those being evaluated shall be made by distributing a copy of the evaluation instrument to the certificated staff at the beginning of each evaluation year.

2. Duration and frequency of observations and written evaluations

The duration and frequency of observations and written evaluations are to be as follows:

a. Probationary Employees.

- i. Formal observations of probationary teachers are to be based upon actual classroom observations for an entire instructional period. For probationary employees other than teachers, the formal observations shall consist of in-person observations comparable to that for teachers.
- ii. Probationary employees are to be formally observed and evaluated at least once each semester.
- iii. The responsible evaluator is expected to complete the second semester evaluations of probationary teachers prior to April 15 of each year.

b. Permanent Employees.

- i. Formal observations and evaluations of permanent teachers are to be based upon actual classroom observations for an entire instructional period. For permanent employees other than teachers, the formal observations shall consist of in-person observations comparable to that for teachers. ii. Permanent employees are to be formally observed and evaluated at least once every three years.

c. Employees' Responsibility. Employees are expected to inform the responsible evaluator of instructional periods that would be conducive to an evaluation and to make themselves readily available for evaluations.

d. Informal Observations and Evaluations. Informal observations and evaluations may be conducted as the administration determines to be appropriate.

e. Additional Observations and Evaluations. The duration and frequency of observations and written evaluations is specified as a minimum expectation for the evaluators. Observations and evaluations of greater frequency or number than

required may be conducted and made at the request of the employee or in the discretion of the evaluator. 3. Evaluation Criteria

Certificated staff performing instructional duties shall be evaluated based upon the following evaluation criteria:

- Instructional Performance
- Classroom Organization and Management
- Personal and Professional Conduct

For certificated staff in non-instructional capacities, the Administrator shall establish such other evaluation criteria as the Administrator determines appropriate given the duties of the employee; provided that personal and professional conduct be included.

In preparing summative evaluations, evaluators are to consider not only the formal observations conducted, but also informal observations and other relevant information concerning the performance of the employee in each of the evaluation criteria. Further, evaluators are to consider the input of administrators and other professional staff of the schools served by the employee, as applicable.

4. Communication of Deficiencies

The evaluation process is to include written communication and documentation to the evaluated employee specifying deficiencies, specific means for the correction of the noted deficiency, and an adequate timeline for implementing the concrete suggestions for improvement.

As professionals, certificated employees may be assigned responsibility to provide suggestions for improvement plans or job growth strategies and shall have the duty of complying with such requests. Further, in the event improvement plans or other similar performance measures are implemented, certificated employees shall have the duty to comply with such plans. Certificated employees are expected to be cooperative, professional, and to exhibit a willingness to improve performance and to accept the constructive criticisms and suggestions of the evaluator.

5. Responses to Evaluations

Certificated employees will be given seven calendar days from receipt of an evaluation in which to give a written response to the evaluation.

6. Plan for Training Evaluators

All evaluators shall possess a valid Nebraska Administrator's Certificate and be trained to use the evaluation system. Training sessions in the use of the evaluation system will be

provided by the Administrator or designee to all evaluators prior to their participation in evaluations. Refresher training is to be conducted as the Administrator determines to be needed.

H. Grievance Procedure

The purpose of this grievance procedure is to secure, at the lowest possible level, equitable solutions to problems that may from time to time arise concerning the terms and conditions of employment that are set forth in the negotiated agreement with the recognized bargaining unit(s) within the ESU (the “Association”).

Step One (Informal to Supervisor)

- a. If the Association or an employee has a grievance, the Association representative is to first discuss the matter with the administrator at the most-direct level or, in the case of an employee-grievant, the employee’s immediate supervisor.
- b. Step One is to be taken within 20 business days of the occurrence of the circumstance or action that creates the basis for the grievance.
- c. An employee-grievant may have a local representative present.
- d. The administrator or immediate supervisor to whom the grievance is presented is to give an oral or written response within 5 business days.

Step Two (Written to Supervisor)

- a. If the Association or the employee-grievant feels that the grievance is not satisfactorily resolved at Step One, the Association or the employee-grievant is to prepare a written grievance statement and give the statement to the administrator or immediate supervisor to whom the oral grievance was submitted.
- b. Step Two is to be taken within 5 business days of the immediate supervisor’s response, or the passage of the response deadline in the event of a failure to respond at Step One.
- c. The administrator or immediate supervisor is to give a written response within 5 business days.

Step Three (Written to Administrator)

- a. If the grievance is not resolved at Step Two to the satisfaction of the Association or the employee-grievant, the Association or the teacher-grievant is to give the written grievance statement to the Administrator and request a response to the grievance from the Administrator.

- b. Step Three is to be taken within 5 business days of the Step Two response, or the passage of the response deadline in the event of a failure to respond at Step Two.
- c. The Administrator may request that the Association or the employee-grievant give additional information in support of the grievance.
- d. The Administrator is to give a written response within the 5 business days of receipt of any information requested by the Administrator.

Step Four (To Board)

- a. If the grievance is not resolved at Step Three to the satisfaction of the Association or the employee-grievant, the Association or the employee-grievant is to give the Administrator or the Board President a written grievance statement and request a response from the Board.
- b. Step Four is to be taken within 5 business days of the Administrator’s response, or the passage of the response deadline in the event of a failure to respond, at Step Three.
- c. The Association or the employee-grievant and the administrators may provide Board members with written information concerning the grievance dispute in advance of the meeting at which the Board or a committee of the Board will consider the grievance.
- d. The Board or a committee of the Board is to give a decision on the grievance. If the grievance is submitted to the Board at least 2 weeks prior to the next regularly scheduled Board meeting, the decision is to be given at (or if a committee is used, on or before the date of) that Board meeting. If the grievance is submitted to the Board within 2 weeks of the next regularly scheduled Board meeting, the decision on the grievance is to be given at (or if a committee is used, on or before the date of) the next following regularly scheduled Board meeting. The Board may give its decision at a special meeting so long as the decision is given within the foregoing time frames.
- e. The decision at Step Four shall be final.

Conditions of Grievance Procedures

- a. Time limits herein are provided in business days, which excludes time periods when the business office of the ESU are closed for regular operations.
- b. Time limits may be extended by agreement of the grievant and the ESU administrator responsible at each particular grievance Step.
- c. Failure of a grievant to comply with the time limits shall constitute a waiver of right to proceed to the next step.
- d. Failure of an administrator to comply with the time limits at any level shall permit the grievant to proceed to the next step.
- e. Administrators and employees shall not retaliate against the Association or a employee-grievant for good-faith use of the grievance procedure.

I. Reduction in Force

Reductions-in-force of certificated staff may occur due to decreasing enrollments in schools served, limited financial support, changes in financial support, budget restrictions, changes in programs, changes in services provided, changing needs for services by school ESUs, changes in full time equivalencies, or other changes in circumstances. If a change in circumstances occurs necessitating a reduction in force, the Administrator or designee shall recommend to the Board those certificated employees to be reduced, and the Board shall take action thereon, in accordance with applicable laws.

Reductions in force may include termination of an employee’s contract, amendment of an employee’s contract to reduce the employee’s full time equivalency from full-time to part-time or from part-time to a lesser part-time, amendment of an employee’s contract to eliminate positions or assignments and compensation related to such positions or assignments, and any other change that is a termination, non-renewal, or amendment of an employee’s contract under the continuing contract laws.

The criterion for determining the employee or employees to be reduced in force are as follows (not listed in order of importance):

1. Areas of certification and endorsement. It shall be the responsibility of all certificated employees to file with the Administrator a copy of their teaching certificate or administrative and supervisory certificate or other license, including endorsements, upon initial employment with the ESU. On or before March 15th of each year thereafter, for so long as the employee is employed in the ESU or has rights of recall, the employee shall file with the Administrator evidence of any changes in the employee’s certification, endorsements, or licensure which have occurred since March 15th of the previous year or which are pending.
2. Special qualifications that may require specific training and/or experience.
3. Existing school assignment.
4. Staffing requests from schools.
5. Location of schools and assignments.
6. Programs to be offered.
7. State and federal regulations which may mandate certain employment practices.
8. Contributions beyond the standard duties of the certificated employee’s position, including contributions to activity programs of the schools.
9. Qualifications based on past performance and competence as determined by the Administrator or the evaluator of the affected employees through employee evaluation procedures. The criteria for employee evaluations (including frequency of the evaluation, evaluation forms, number and length of classroom observations, if applicable) used for purposes of this policy consists of the ESU 17 Board policies and administrative rules, regulations, forms and practices related to the periodic evaluation of certificated employees in effect as of the time the

evaluation was completed. Such evaluation policies, etc., are incorporated herein as though set forth in full.

10. The organizational and educational impact created by multiple part time certificated employees.
11. Any other criteria which are rationally related to the instruction and services provided by, and the administration of, the ESU.

No permanent employee may be reduced through a reduction-in-force while a probationary employee is retained to perform a service in a position that the permanent employee is qualified by certification and endorsement to perform or where certification is not applicable, by reason of college credits in the teaching area.

Due to the often intimate, confidential, and unique personal working relationship necessary between the administration and the Board, a certificated employee who is not currently serving in a predominantly administrative capacity shall have no rights under this policy to any administrative position within the ESU.

If, after consideration of the above, it is the opinion of the Administrator that no significant difference exists between certificated employees being considered for reduction-in-force, then the employee with the longest uninterrupted service to the ESU shall be retained. Uninterrupted service time shall accrue the same for all certificated employees regardless of their full time equivalency. Uninterrupted service time for employees employed less than a full school year shall accrue according to the number of contract days worked. Uninterrupted service time shall not accrue for certificated employees on leave of absence for more than forty days.

A certificated employee whose contract is terminated because of reduction-in-force shall be considered to have been dismissed with honor. The employee shall, upon request, be provided a letter to that effect. The employee shall have preferred rights to re-employment for a period of twenty-four months commencing at the end of the contract year. The employee shall be recalled on the basis of length of uninterrupted service to the ESU to any position for which the employee is qualified by endorsement or college preparation to teach. The employee shall, upon reappointment, retain any benefits which had accrued to the employee prior to the reduction, but such leave of absence shall not be considered as a year of employment by the ESU. An employee under contract to another educational institution may waive recall but such waiver shall not deprive the employee of his or her right to subsequent recall.

Any certificated employee whose employment contract is reduced as a result of reduction-in-force shall, during the period of recall, report current address information to the Administrator and inform the Administrator of any changes of address thereafter. If a vacancy occurs for which the employee has rights of recall, the offer of such employment may be sent by the Administrator to the employee's last reported address. If no acceptance of such offer is received from the employee within fourteen days of mailing and the Administrator has no personal knowledge of the whereabouts of the employee (other than said last known address), the employee shall be deemed to have waived rights to recall to that employment position.

Section 11 Non-Certificated Employees

A. Non-Certificated Employee Defined

Date of Adoption:	October 10 , 2017

B. “At Will” Status

All non-certificated employees and non-certificated assignments shall be on an “at will” basis. Non-certificated employees shall have no property right in continued employment and need not be given a hearing or any other procedural or substantive due process prior to termination of employment.

Nothing in board policy, administrative regulations or practices, employee handbooks, or in any evaluation instrument or in the evaluation process for non-certificated employees shall or is intended to create or be a contract or part of a contract with a non-certificated employee which shall in any way be construed to be contrary to the “at will” employment of non-certificated employees. No administrator or other employee of the ESU has any authority to enter into any agreement of employment with a non-certificated employee for any specific period of time or to make any agreement contrary to an at-will employment relationship without specific Board approval.

C. Hiring, Assignment and Dismissal

The Board delegates to the Administrator the authority to hire, assign, reassign, suspend and dismiss non-certificated employees. Such authority shall be exercised in compliance with the policies of the Board. The Board reserves the authority to modify or reverse any such action taken by the Administrator.

Dismissal of non-certificated employees shall be on an at-will basis, as such employees are subject to termination at any time without cause, without prior disciplinary action or progressive discipline, and irrespective of the lack of any evaluation or the irregularity in any evaluation process.

D. Standards of Ethical and Professional Performance for Non-Certificated Staff

In fulfillment of an employee’s minimum responsibilities, each employee:

1. Shall not interfere with the exercise of political and citizenship rights and responsibilities of other employees, students, parents, patrons, or ESU board members.
2. Shall not discriminate on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status in its programs and activities.

5. Shall not exploit relationships for personal gain or private advantage.
6. Shall not harass in any manner students, parents or ESU patrons, employees, or board members.
7. Shall not engage in conduct involving dishonesty, fraud, deceit, or misrepresentation in the performance of duties.
8. Shall keep in confidence personally identifiable student or employee information that has been obtained in the course of service to the ESU, unless disclosure serves professional purposes or is required by law.
9. Shall not discipline students using corporal punishment.
10. Shall not misrepresent the ESU, and shall take added precautions to distinguish between the employee’s personal and institutional views.
11. Shall abide by policies and regulations of the Board and the rules and standards established by the administration and the employee’s supervisor.
12. Shall seek no reprisal against any individual who reports a violation of these standards.

E. Evaluations

The Board delegates to the Administrator the responsibility to develop, organize and implement a program to evaluate non-certificated employees. The evaluation process is to be conducted in such a manner as to be consistent with and to advance the mission and goals of ESU.

A failure to properly complete evaluations shall not give a non-certificated employee rights with regard to continued employment. Such failure, however, is to be considered in evaluating the responsible evaluator's performance.

Section 12 Anti-discrimination, Anti-harassment, and Anti-retaliation **A.**
Elimination of Discrimination.

The Educational Service Unit 17 hereby gives this statement of compliance and intends to comply with all state and federal laws prohibiting discrimination. This school ESU intends to take any necessary measures to assure compliance with such laws against any prohibited form of discrimination.

The ESU does not discriminate on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, marital status, pregnancy, childbirth or related medical condition, or other protected status in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Reasonable accommodations will be provided to employees with disabilities and to those who are pregnant, have given birth, or have a related medical condition, as required by law. The following persons have been designated to handle inquiries regarding the non-discrimination policies:

Employees and Others: Geraldine Erickson, Administrator, 207 N. Main St. Ainsworth, NE 69210 (402) 387-1420

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the Office for Civil Rights in the U.S. Department of Education (OCR), please contact the OCR at 601 East 12th Street, Room 353, Kansas City, MO 64106, (800) 368-1019 (voice), Fax (816) 426-3686, (800) 537-7697 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

B. Prohibited Harassment, Discrimination, and Retaliation of Employees, Students and Others.

1. Purpose:

Educational Service Unit 17 is committed to offering employment and educational opportunity to its employees and students in a climate free of discrimination.

Accordingly, unlawful discrimination, harassment and retaliation of any kind by ESU employees, including, co-workers, non-employees (such as volunteers), third parties, and others is strictly prohibited and will not be tolerated.

Harassment is a form of discrimination and includes verbal, non-verbal, written, graphic, or physical conduct relating to a person's race, color, national origin, religion, disability, age, sex, or other protected category, that is sufficiently serious to deny, interfere with, or limit a person's ability to participate in or benefit from an educational or work program or activity, including, but not limited to:

- a. Conduct that is sufficiently severe or pervasive to create an intimidating, hostile, or abusive educational or work environment, or
- b. Requiring an individual to endure the offensive conduct as a condition of continued employment or educational programs or activities, including the receipt of aids, benefits, and services.

Educational programs and activities include all academic, educational, extracurricular, athletic, and other programs of the school, whether those programs take place in a school's facilities, on a school bus, at a class or training program sponsored by the school at another location, or elsewhere.

Discriminatory harassment because of a person's race, color, national origin, religion, disability, age, sex, or other protected category, may include, but is not limited to:

- a. Name-calling,
- b. Teasing or taunting,
- c. Insults, slurs, or derogatory names or remarks,
- d. Demeaning jokes,
- e. Inappropriate gestures,
- f. Graffiti or inappropriate written or electronic material,
- g. Visual displays, such as cartoons, posters, or electronic images,
- h. Threats or intimidating or hostile conduct,
- i. Physical acts of aggression, assault, or violence, or
- j. Criminal offenses

The following examples are additional or more specific examples of conduct that may constitute sexual harassment:

- a. Unwelcome sexual advances or propositions,
- b. Requests or pressure for sexual favors,
- c. Comments about an individual's body, sexual activity, or sexual attractiveness,
- d. Physical contact or touching of a sexual nature, including touching intimate body parts and inappropriate patting, pinching, rubbing, or brushing against another's body,
- e. Physical sexual acts of aggression, assault, or violence, including criminal offenses (such as rape, sexual assault or battery, and sexually motivated stalking), against a person's will or where a person is incapable of giving consent due to the victim's age, intellectual disability, or use of drugs or alcohol,

- f. Requiring sexual favors or contact in exchange for aids, benefits, or services, such as grades, awards, privileges, promotions, etc., or
- g. Gender-based harassment; acts of verbal, nonverbal, written, graphic, or physical conduct based on sex or sex-stereotyping, but not involving conduct of a sexual nature.

If the ESU knows or reasonably should know about possible harassment, including violence, the ESU will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred (see section entitled “Grievance Procedures,” below), and take appropriate interim measures, if necessary. If the ESU determines that unlawful harassment occurred, the ESU will take prompt and effective action to eliminate the harassment, prevent its recurrence, and remedy its effects, if appropriate. If harassment or violence that occurs off school property creates a hostile environment at school, the ESU will follow this policy and grievance procedure, within the scope of its authority.

All ESU employees are expected to take prompt and appropriate actions to report and prevent discrimination, harassment, and retaliation by others. Employees who witness or become aware of possible discrimination, including harassment and retaliation, must immediately report the conduct to his or her supervisor or the compliance coordinator designated to handle complaints of discrimination (designated compliance coordinator).

2. Anti-retaliation:

The ESU prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for opposing discrimination, including harassment, or for participating in the ESU's discrimination complaint process or making a complaint, testifying, assisting, or participating in any manner, in an investigation, proceeding, or hearing. Retaliation is a form of discrimination.

The ESU will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. These steps will include, but are not limited to, notifying students, employees, and others, that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, the ESU will take prompt and strong responsive action, including possible discipline, including expulsion or termination, if applicable.

3. Grievance (or Complaint) Procedures:

Employees should initially report all instances of discrimination, harassment or retaliation to their immediate supervisor or teacher or to the compliance coordinator designated to handle complaints of discrimination (designated coordinator). If the employee or student is uncomfortable in presenting the problem to the supervisor or teacher, or if the supervisor or teacher is the problem, the employee or student may report the alleged

discrimination, harassment or retaliation (“discrimination”) to the designated coordinator, or in the case of students, to another staff person (such as a counselor or principal).

Other individuals may report alleged discrimination to the designated coordinator. If the designated coordinator is the person alleged to have committed the discriminatory act, then the complaint should be submitted to the Administrator for assignment. A discrimination complaint form is attached to this grievance procedure and is available in the office of each ESU building, on the ESU's website, and from the designated coordinators.

ESU employees, supervisors and administrators must immediately report any complaints, reports, observations, or other information of alleged discrimination to the designated coordinator, even if that ESU employee is investigating the alleged discrimination as part of the ESU's student or employee disciplinary process, and provide the complainant with information for filing a complaint of discrimination, including a complaint form if requested, and contact information for the ESU's designated coordinator. If the ESU uses its disciplinary procedures to investigate and resolve an alleged discrimination complaint, those disciplinary procedures will comply with the ESU's standards for a prompt and equitable grievance procedure outlined in section B.2., below.

Under no circumstances will a person filing a complaint or grievance involving discrimination be retaliated against for filing the complaint or grievance.

i. Level 1 (Investigation and Findings):

Once the ESU receives a grievance, complaint or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, the ESU will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred. If necessary, the ESU will take immediate, interim action or measures to protect the alleged victim and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the ESU's investigation. The ESU will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

The ESU will investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The ESU will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this grievance procedure. If the allegation(s) involve possible criminal conduct, the ESU will notify the complainant of his or her right to file a criminal complaint, and ESU employees will not dissuade the complainant from filing a criminal complaint either during or after the ESU's investigation.

The ESU will complete its investigation within **ten (10) working days** after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. Extenuating circumstances do not include summer vacation, and if a designated compliance coordinator or investigator is unavailable, another coordinator or trained employee will be designated to conduct the investigation. If extenuating circumstances exist, the extended timeframe to complete the investigation will **not exceed ten (10) additional working days without the consent of the complainant**. Periodic status updates will be given to the parties, if necessary.

The ESU's investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors the ESU will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.
- d. A review of the evidence using a "preponderance of the evidence" standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The designated compliance coordinator (or designated investigator) will complete an investigative report, which will include:

- a. A summary of the facts,
- b. An analysis of the appropriate legal standards applied to the specific facts,
- c. Findings regarding whether discrimination occurred, and
- d. If a finding is made that discrimination occurred, the recommended remedy or remedies necessary to eliminate discrimination, including harassment and retaliation, prevent its recurrence, and remedy its effects, if applicable.

If someone other than the designated compliance coordinator conducted the investigation, the compliance coordinator will review, approve, and sign the investigative report. The ESU will ensure that prompt, appropriate, and effective remedies are provided if a finding

of discrimination, harassment, or retaliation is made (see the Remedies section, below, for additional information about remedies). The ESU will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

The ESU will send concurrently to the parties written notification of the decision (findings and any remedy) regarding the complaint within **ten (10) working days** after the investigation is completed. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 11232g; 34 C.F.R. Part 99, permits the ESU to disclose to a student who was discriminated against or harassed (victim), information about the sanction imposed upon a student who was found to have engaged in discrimination or harassment (student who discriminated) when the sanction directly relates to the victim. This includes an order that the student who discriminated stay away from the victim, or that the student who discriminated is prohibited from attending school for a period of time, or transferred to other classes.

ii. Level 2 (Appeal to the iii. Administrator):

If a party is not satisfied with the findings or remedies (or both) set forth in the decision, he or she may file an appeal in writing with the Administrator within **ten (10) working days** after receiving the decision. The Administrator will review the appeal and the investigative documentation and decision, conduct additional investigation, if necessary, and issue a written determination about the appeal **within ten (10) working days** after receiving the appeal. The party who filed the appeal will be sent the Administrator's determination at the time it is issued, and a copy will be sent to the designated compliance coordinator. [If the Administrator is the subject of the complaint, the party will file the appeal directly with the Board.]

iii. Level 3 (Appeal to the Board):

If the party is not satisfied with the Administrator's determination, he or she may file an appeal in writing with the Board of Education **within ten (10) working days** after receiving the Administrator's determination. The Board of Education will review the appeal, the Administrator's determination, the investigative documentation and decision, and allow the party to address the Board at the next scheduled Board meeting to present his or her appeal. The Board will issue a written determination about the appeal **within thirty (30) working days** after receiving the appeal. The party who filed the appeal will be sent the Board's determination at the time it is issued, and a copy will be sent to the designated compliance coordinator. The Board's determination, and any actions taken, will be final on behalf of the ESU.

4. Remedies:

If the ESU knows or reasonably should know about possible discrimination, including harassment or violence, the ESU will take immediate, interim action or measures to protect the alleged victim, ensure the safety of the school community, and prevent further

potential discrimination, harassment, or retaliation during the ESU's pending investigation. These interim measures will be prompt, age-appropriate, effective, and tailored to the specific situation, and may include a change in the student's seating assignment or class, a change in an employee's work area, prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the ESU's investigation, and other remedies, such as those listed below.

The ESU will minimize any burden on the alleged victim when taking interim measures. For instance, the ESU generally will not remove the alleged victim from his or her class or work area and allow the alleged harasser to remain. In addition the ESU will ensure that the complainant is aware of his or her Title IX rights, including a strong prohibition against retaliation for reporting discrimination or harassment or cooperating with any investigation or proceeding, and any available resources, such as counseling, health, and mental health services, and the right to file a complaint with local law enforcement, if applicable.

If the ESU determines that unlawful discrimination or harassment occurred, the ESU will take prompt and effective action to eliminate the discrimination or harassment, prevent its recurrence, and remedy its effects on the complainant and others, if appropriate. The remedies will be tailored to the specific allegations and facts of each situation, including, but not limited to, the following remedies:

- a. Providing an escort to ensure the complainant can move safely between classes and activities.
- b. Ensuring the complainant and alleged harasser do not attend the same classes.
- c. Moving the alleged harasser to another school or work area within the ESU.
- d. Providing counseling services or reimbursement, if appropriate.
- e. Providing medical services or reimbursement, if appropriate.
- f. Providing academic support services, such as tutoring.
- g. Arranging for the complainant to re-take a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the complainant's academic record.

The ESU may provide remedies for the broader student population as well, including but not limited to:

- a. Offering counseling, health, mental health, or other holistic and comprehensive victim services to all students or employees affected by sexual harassment or sexual violence, and notifying students and employees of campus and community counseling, health, mental health, and other student services.
- b. Designating an individual from the ESU's counseling center to be "on call" to assist victims of sexual harassment or violence whenever needed.
- c. Providing additional training to the ESU's designated compliance coordinators and other employees who are involved in addressing,

- investigating, or resolving complaints of discrimination, harassment, and retaliation, to better respond to specific types of harassment and violence.
- d. Informing students and employees of their options to notify proper law enforcement authorities, including school and local police, and the option to be assisted by ESU employees in notifying those authorities.
 - e. Creating a committee of students or employees and ESU officials to identify strategies for ensuring that students and employees:
 - i. Know the school's prohibition against discrimination, harassment, and retaliation.
 - ii. Recognize acts of discrimination, harassment (including acts of violence), and retaliation when they occur.
 - iii. Understand how and to whom to report any incidents of discrimination.
 - iv. Know the connection between alcohol and drug abuse and harassment or violence based on sex or other protected characteristics.
 - v. Feel comfortable that ESU officials will respond promptly and equitably to reports of discrimination, harassment (including violence) and retaliation.
 - f. Conducting periodic assessments of student or employee activities to ensure that the practices and behavior of students or employees do not violate the ESU's policies against anti-discrimination, anti-harassment, and anti-retaliation.
 - g. Conducting in conjunction with students or employees, a "climate check" to assess the effectiveness of efforts to ensure that the ESU is free from discrimination, harassment (including violence), and retaliation, and using the resulting information to inform future proactive steps that will be taken by the ESU.

In addition to these remedies, the ESU may impose disciplinary sanctions against the student or employee who discriminated, harassed, or retaliated against the complainant, up to and including possible expulsion or termination or cancellation of employment.

5. Confidentiality:

The identity of the complainant will be kept confidential to the extent permitted by state and federal law. The ESU will notify the complainant of the anti-retaliation provisions of applicable laws and that the ESU will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

If a complainant requests confidentiality or asks that the complaint not be pursued, the ESU will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or the request not to pursue an investigation, as long as doing so does not prevent the ESU from responding effectively to the harassment and preventing harassment of other students. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the ESU will

inform the complainant that its ability to respond may be limited. Even if the ESU cannot take disciplinary action against the alleged harasser, the ESU will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted.

At the same time, the ESU will evaluate a confidentiality request in the context of its responsibility to provide a safe and nondiscriminatory environment for all students. Thus, the ESU may weigh the confidentiality request against factors such as: the seriousness of the alleged harassment, the complainant's age; whether there have been other harassment complaints about the same individual and the alleged harasser's rights to receive information about the allegations if the information is maintained by the ESU as an "education record" under FERPA. In some cases, the ESU may be required to report alleged misconduct or discrimination, such as sexual harassment involving sexual violence, to local law enforcement or other officials, and the ESU may not be able to maintain the complainant's confidentiality. The ESU will inform the complainant that it cannot ensure confidentiality, if applicable.

6. Training:

The ESU will ensure that ESU employees, including but not limited to officials, administrators, teachers, substitute teachers, counselors, nurses and other health personnel, coaches, assistant coaches, paraprofessionals, aides, bus drivers, and school law enforcement officers, are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate ESU officials or employees. This training will include, at a minimum, the following areas:

- a. The current legal standards and compliance requirements of anti-discrimination, anti-harassment, and anti-retaliation federal, state, and any local laws and regulations, including several specific examples of discrimination, harassment (including acts of violence because of a person's sex or other protected characteristics), and retaliation.
- b. The ESU's current anti-discrimination, anti-harassment, and anti-retaliation notice, policies, grievance procedure, and discrimination complaint form, including the specific steps and timeframes of the investigative procedures, and the ESU's disciplinary procedures.
- c. Identification of the ESU's designated compliance coordinators and their job responsibilities.
- d. Specific examples and information regarding how to report complaints or observations of discrimination, harassment, or retaliation to appropriate ESU officials or employees. In addition, the ESU will emphasize that employees, students, third parties, and others should not be deterred from filing a complaint or reporting discrimination. For instance, if a student is the victim of sexual violence, a form of sexual harassment, but the student is concerned that alcohol or drugs were involved, school staff should inform the student that the ESU's primary concern is student safety, that any other rules violations will be addressed separately from the sexual

violence allegation, and that the use of alcohol or drugs never makes the victim at fault for sexual violence.

- e. Potential consequences for violating the ESU's anti-discrimination, antiharassment, and anti-retaliation policies, including discipline.
- f. Potential remedies, including immediate, interim remedies, to eliminate the discrimination, harassment, and retaliation, prevent its recurrence, and remedy its effects.
- g. A description of victim resources, including comprehensive victim services, to address acts of discrimination and harassment, including acts of violence because of a person's sex or other protected characteristics, and a list of those resources for distribution to trainees.

In addition, the ESU shall ensure that employees designated to address or investigate discrimination, harassment, and retaliation, including designated compliance coordinators, receive additional specific training to promptly and effectively investigate and respond to complaints and reports of discrimination, and to know the ESU's grievance procedures and the applicable confidentiality requirements.

7. Designated Compliance Coordinators:

Designated compliance coordinators will be responsible for:

- a. Coordinating efforts to comply with anti-discrimination, anti-harassment, and anti-retaliation laws and regulations.
- b. Coordinating and implementing training for students and employees pertaining to anti-discrimination, anti-harassment and anti-retaliation laws and regulations, including the training areas listed above.
- c. Investigating complaints of discrimination (unless the coordinator designates other trained individuals to investigate).
- d. Monitoring substantiated complaints or reports of discrimination, as needed (and with the assistance of other ESU employees, if necessary), to ensure discrimination or harassment does not recur, and that retaliation conduct does not occur or recur.
- e. Overseeing discrimination complaints, including identifying and addressing any patterns or systemic problems, and reporting such patterns or systemic problems to the Administrator and the Board of Education.
- f. Communicating regularly with the ESU's law enforcement unit investigating cases and providing current information to them pertaining to anti-discrimination, anti-harassment, and anti-retaliation standards and compliance requirements.
- g. Reviewing all evidence in harassment or violence cases brought before the ESU's disciplinary committee or administrator to determine whether the complainants are entitled to a remedy under anti-discrimination laws and regulations that was not available in the disciplinary process.
- h. Ensuring that investigations address whether other students or employees may have been subjected to discrimination, including harassment and retaliation.

- i. Determining whether ESU employees with knowledge of allegations of discrimination, including harassment and retaliation, failed to carry out their duties in reporting the allegations to the designated compliance coordinator and responding to the allegations.
- j. Recommending changes to this policy and grievance procedure.
- k. Performing other duties as assigned.

The designated compliance coordinators will not have other job responsibilities that may create a conflict of interest with their coordinator responsibilities.

8. Preventive Measures:

The ESU will publish and widely distribute on an ongoing basis a notice of nondiscrimination (notice) in electronic and printed formats, including prominently displaying the notice on the ESU's website and posting the notice at each building in the ESU. The ESU also will designate an employee to coordinate compliance with antidiscrimination laws (see Designated Compliance Coordinator section, above, for further information on compliance coordinator), and widely publish and disseminate this grievance procedure, including prominently posting it on the ESU's website, at each building in the ESU, reprinting it in ESU publications, such as handbooks, and sending it electronically to members of the school community. The ESU will provide training to employees and students at the beginning of each academic year in the areas (B.6.a-g) identified in the Training section, above.

The ESU also may distribute specific harassment and violence materials (such as sexual violence), including a summary of the ESU's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources, during events such as school assemblies and back to school nights, if recent incidents or allegations warrant additional education to the school community.
